I have signed up to run in the Homecoming Wanakee Wilderness 5K race. It is more than a trail run, it is a wonderful day of fellowship, food and fundraising for major improvements to the facility and camperships. The facility project was an upgrade of our major electrical service. Last year we granted more than \$26,000 in camperships and we are confident this year will be the same.

I am asking you to sponsor me with a pledge of support.
